April 18th Meeting is our Annual Business Meeting with Election of Officers

It's that time of year again! ASQ sections exist and thrive by its' members. To support the members, the efforts of many volunteers through the course of a year are needed. Every year at this time we start to line up the officers, committees and other helpers for the upcoming year. We are seeking individuals who are interested in holding either an elected position, leading one of our valuable committees or possibly just helping out.
